Staffing

It is with a mixture of sadness and pleasure that I inform you that Mrs Robinson and Mrs Readhead will be leaving us this term. We are very grateful to them both for the enthusiasm, hard work and care that they put into their every day life at school. We will miss them but wish them well in their new jobs.

Mrs Katie Brook will be teaching Year 3 / 4 in January. She will be popping in several times before the end of term to meet the children and get to know the school.

The governors are in the process of appointing an HLTA.

Non Uniform Day

This takes place tomorrow. The children are welcome into school without their school uniform. It would be great if you could provide a tombola prize that we can use at the school Christmas Fair. Please ensure that the clothes they wear are appropriate for playing outside. No make up, please.

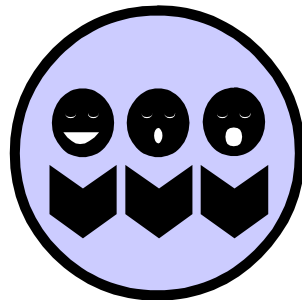

Football Cards

I have asked the children to keep their football cards at home. Cards can easily get lost and it is very difficult to track them down as they all look the same!

Community Events

Switching on the Christmas lights with carols

The Parish Council invites everyone to attend this event on the Village Green on 2nd December at 6pm. Seasonal refreshment available. Bring a torch!

St Wilfrid's Autumn Fair

This takes place on 19th November 10:00 - 1:00. Refreshments, card, cakes and books on sale.

Christmas Dinner

Christmas Dinner

Mrs Braid, our school cook, has kindly offered to cook Christmas dinner for all who would like to join us on that special, festive occasion. If you would like your child to enjoy a Christmas Dinner on 1st December, **please return the attached slip by 18th November with £2:10 payment.** It is vital that you let us know by that date so that our kitchen staff can order sufficient ingredients. Please note that there is no salad bar available on that day but, as always, there will be a vegetarian option.

I would like my child

Class:

To stay for Christmas dinner. I enclose £2:10.
