## Statutory Tests

Our Yr. 2 and Yr. 6 children are working hard, undertaking their statutory tests.

Yr 6 have been incredibly busy this week. We are very proud of the focus and commitment that they have made. They have remained bright and cheerful throughout, their positive attitude shining through.

## Sunny weather

We are all enjoying this sunny weather. Water bottles are essential to ensure the children remain hydrated. For health and safety reasons (and to reduce plastic in the environment) we ask that each child has their own - named - water bottle. Water bottles are essential to ensure the children remain hydrated.

Please ensure that your child has sun screen applied and a hat in school. If they are bringing suntan lotion into school please make sure it is named - to stop muddles!

## Football

Congratulations to our girl's football team who have reached the final. Good luck for the next stage!

## UNICEF day for change

This takes place on Friday 8<sup>th</sup> June. The children are invited to come to school without their uniform and pay a pound for the privilege! The money raised will go towards helping children who cannot access their right to some of the articles on the United Nations Charter. 6p will provide a tetanus vaccination for a baby born in the chaos of conflict. £6 will provide treatment for a child with Malaria or pneumonia.

A really worth- while cause. It is also our whole school sport's day on 8<sup>th</sup> June.

## Jewellery

Just a quick reminder that the wearing of jewellery in school is not allowed for health and safety reasons. I have reminded the children that this includes bracelets. No dangly earrings, please.

## Menu change

On Friday 18<sup>th</sup> May our chef will be serving a Royal picnic lunch. We have emailed the menu to you.

## Parent Questionnaire

Thank you for completing the questionnaire and the kind comments that were left.

There is a copy attached.

## FRIENDS

A big thank you to the FRIENDS for organising the school disco. We raised £261.70

[The next meeting is tonight, 17<sup>th</sup> May at 6pm at school.](#) It would be great if you could come.

## Community News

Advance notification from Thorpe Willoughby Parish Council.

Please be aware that work in connection with the proposed village green community garden will soon be taking place. This will necessitate the temporary closure of the paved footpath leading across the village green from Londesborough Grove to beyond the bus stop on Fox Lane. The work is scheduled to take place from Monday, 4<sup>th</sup> June for 2 weeks approx. - weather permitting!!

An alternative footpath is available by the side of Fox Lane.
