Building Work

The building work continues on schedule. The computer room is temporarily in a classroom but will be re-sited once its original room has been restructured. With the help of the FRIENDS we hope to upgrade all the computers when they move to their new home. We expect all the building work to be completed by Easter.

Mrs Whittaker

Our lovely Mrs Whittaker undertook a 10 000 ft skydive last weekend to raise money for the charity, Autism Angels. It was a great achievement- and very brave in my opinion! She would be most grateful for any sponsorship money that you would like to contribute. Find her 'Local Giving' page.

Home School Link Worker

Mrs Tracy Gleeson, our Home School Link Worker, is available on Wednesday mornings if you wish to contact her. If you cannot get into school you can leave a message at the school office and she will contact you.

FRIENDS

The next FRIENDS' meeting takes place on 5th October at 6pm. The FRIENDS do an amazing job raising money for the school and promoting social activities for the children. Attending a meeting or helping out at an event is a great way to become part of the school and to get to know the school better. Please make a big effort to come - it would be lovely to see you there!

Free School Dinners

If you think you may be eligible for free school meals please contact the school office. By registering your child for free school meals additional funding is generated for school. Even if you do not wish to take up the free school meals offer it will allow us to offer your child free places on school trips, including school residentials. **This also applies to Infant children despite the universal free school meals entitlement.**

Jeans for Genes

This is one of the School Council's chosen charities and takes place on Friday 22nd September. The children are invited to come to school in their jeans and own chosen top but are asked to pay at least £1 for the privilege. The money will go to this very worthy cause.

Jewellery in School

In common with other NY schools we do not allow jewellery for health and safety reasons.

Tutti Frutti

Mrs Dulson's class is organising the sale of pieces of fruit to the juniors on a Tuesday playtime. The cost of the fruit will be 10p. The Right's Ambassadors are currently finding out the children's fruit preferences. It is a great way to help the children eat their 5 a day.

Community Events
