## Building Work

The building work is continuing to progress. It was very exciting to see the enormous cranes moving the modules into place.

The paths leading into the Junior playground have been a particular challenge for us all - so thank you for bearing with us. Our sandy soil is great for growing carrots - but also great for growing puddles! I have contacted the LA for advice on how we can reduce the puddles!

## Tutti Fruitti

The last of the Tutti Fruitti sales for this term took place on Tuesday. A big thank you to Mrs Dulson and the Right's Ambassadors for all their time.

## Parking

As you know, we operate a Park-n-Stride scheme from the village hall carpark and The Fox Pub. Please respect the parking restrictions down Londesborough Grove as you can put the safety of our children at risk. Please be considerate with your parking and do not block the drives of houses. An elderly resident found it difficult to get to her doctor's appointment as her drive had been blocked by a car dropping children off at school.

## Skipping Ropes

We still have a few skipping ropes available for sale at £5 each. Pop into the school office if you would like to purchase a new one.

## Dick Wittington

The children enjoyed the pantomime. It is a real treat to have professional actors in school. Thankyou to the FRIENDS who helped to fund this event.
