Visit to Civic Centre

Emma, Grace, Jack, James, Joe, and Martha are members of the School Council and Right's Ambassadors. They attended the Selby Area Committee at the Civic Centre on Monday to give a presentation on the children's plans to enhance the school environment with the grant that they had received. The children spoke with great clarity and composure and the councillors commented upon their professionalism. I was incredibly proud of them. Their picture can be seen on the school web site.

Home School Link Worker

Mrs Tracy Gleeson, our Home School Link Worker, is available on Wednesday mornings if you wish to contact her. If you cannot get into school you can leave a message at the school office and she will contact you.

Mrs Robinson

Our lovely Mrs Robinson is competing in a sprint triathlon on Saturday to raise money for Parkinson UK. This involves 750m open lake swim, 26KM bike ride and finishing with a 5.5KM run. She has been training for a long time, as you can imagine - although she took a little time off for her wedding! She would be most grateful for any sponsorship money that you would like to contribute.

FRIENDS

The next FRIENDS' meeting takes place on 6th October at 6pm.

The FRIENDS do an amazing job raising money for the school and promoting social activities for the children. Attending a meeting or helping out at an event is a great way to become part of the school and to get to know the school better.

Please make a big effort to come - it would be lovely to see you there!

Free School Dinners

If you think you may be eligible for free school meals please contact the school office. By registering your child for free school meals additional funding is generated for school. Even if you do not wish to take up the free school meals offer it will allow us to offer your child free places on school trips, including school residentials. **This also applies to Infant children despite the universal free school meals entitlement.**

Jeans for Genes

This is one of the School Council's chosen charities and takes place on Friday 23rd September. The children are invited to come to school in their jeans and own chosen top but are asked to pay at least £1 for the privilege. The money will go to this very worthy cause.

Jewellery in School

In common with other NY schools we do not allow jewellery for health and safety reasons.

Sporting Achievement

We are delighted to inform you that we have achieved the Sainsbury's SILVER award for PE. Thanks to Mrs Dulson for doing such a great job leading PE.

Dates for your Diary
