Comic Relief

This very popular event takes place on Friday. The children are invited to come in their own clothes (with something red, if they wish) and to pay a £1 for the privilege. Make your laugh matter!

Marrick Priory

The children had a very successful week. They joined in all the activities with enthusiasm, developing existing skills and acquiring new ones. The staff were very impressed with their team work and their positive approach to everything. Well done everyone!

I am sure that the children would like me to pass their thanks to Ms Ulett, Mrs Alexander, Mr Watson and Mr Kellet for their care and time.

Sporting Achievement

Our hockey team competed in a tournament against local schools. They played very well, showing good sportsmanship - and came second. Congratulations!

Messy Church

We know that many of our children attend this activity and have a great time. A ring was found last Thursday. If you believe that you have lost a ring please contact joypiper@btinternet.com with details.

Crossing Patrol

Our crossing patrol officer will not be available on Thursday. Please make your own arrangements to cross the children over the road.

Key Dates

W/C 3rd April Parent / teacher consultation. Thursday, late night.
5th April 9:30. LKS2 Easter celebration at St Francis Church. Further details to follow.
7th April - decorate an egg competition.
7th April - school breaks up at **3pm**

Mother's Day Raffle

The FRIENDS are organising the popular Mother's Day raffle for Mums and those who are like Mums to us.

We are organising the raffle in the same way as last year so we do not interrupt the children's learning.

Tickets are 20p each. The children will bring the money into school and it will be collected by each class teacher. A note will be made of how many tickets a child has bought. The FRIENDS will write the tickets ready for them to be drawn on 24th March. Your child will not have a ticket to take home - the ticket will be kept by the FRIENDS and folded ready for the pulling of the raffle

Parking on Londesborough Grove

Please be aware that buses bringing children back to school are finding it difficult to access the school because of inconsiderate parking. The swimmers had to walk down Londesborough Grove as the bus could not reach the gate.
