Sport Relief Day

We had some fun celebrating this event with children. The children have played with different sport equipment each day at playtime. The children can come to school tomorrow in their sport's kit and pay a pound for the privilege.

Decorate an Egg

A couple of people have asked about why this event has been cancelled. Due to the building work we have no where to put the eggs. Miss Staveley's class is currently in the resource room - the usual home for the decorated eggs!

Mrs Braid, our chef, is making an Easter lunch on Wednesday 28th March. Price: £2:10

School Dinners

School dinners have been priced at £2:10 since 2011. As you know, the price of food and wages have gone up considerably during this time. School dinners will be £2:30 a

day after Easter. This will be £11:50 a week.

Balance bikes and scooters.

Please ensure that your children (including pre-school children) do not ride bikes or scooters when they are on school premises.

There have been several incidents where children have bumped into both adults and children.

Date Change

Brayton Academy have contacted us to inform us that the transition date for the Year 6 children attending the school in September has been changed to 14th June. The timings are 8:30 - 2:30. The parent's evening is also on this date from 5-7pm.

This is due to staffing issues at Brayton Academy.

Visit to St Francis Church

It was lovely to see so many parents at the Infant's Easter service. It was a very happy service

that was blessed with lovely spring weather - perfect for walking to church.

Free School Meal Applications

We are sending out a letter and form today to apply for free school meals. If you feel that you may be eligible for free school meals, please apply before 1st April as some changes to entitlement come into force in April. A successful application may also help you with payment for school trips in the future.

Dates for your Diary

26th- 28th March Robin Wood.

28th March - EYFS stay and play. 9:00-9:40

29th March - School breaks up 3pm.

16th April - children return to school.

W/C 14th May- KS2 tests.
