## Building work

NYCC will be placing a planning application to enhance the school building over the next couple of weeks. This will involve enlarging some classrooms and providing two new classrooms. We expect the building work to start at the end of the summer term and be completed by Easter 2018. We will update you when the planning process is completed.

## Staffing update

Mrs Firth is leaving our school to spend more time with her young family. We would like to thank her for her hard work and dedication whilst she has been at Thorpe Willoughby. Mrs Scott will continue to teach with Mrs Ord in Yr1 / 2 class.

## World Book Day

We are celebrating our World Book Day on Friday 3rd March. The children will be wearing their school uniform on that day. As part of the celebration we would like to invite the children to decorate a potato as a book character. This was a very popular activity last year and we had some amazing entries.

We are also going to have some 'Rapid Reads' so we would like the children to bring in their favourite book for this activity. The World Book Day tokens will be given out to the children today. They can be used in any participating book shop. The closing date for the 'Extreme Reading' photograph competition is 6<sup>th</sup> March. It would be great to have some photos of children reading in unusual places!

## Governor Update

Mrs Louise Fletcher has resigned from the Governing body due to her work commitments. We would like to thank her for her time and expertise. Our governors currently have a good selection of appropriate skills. We will be looking for a governor to complement or increase the skills and attributes already present on the governing body. More details will follow later.

## FRIENDS meeting

The next FRIENDS' meeting is on 16<sup>th</sup> March at 6pm in school. The FRIENDS play such an important part in school life. All the lovely social events, such as the discos and Mother's Day raffles, could not take place without them. We do hope you will be able to support us.

## Mrs Siddon's Class assembly

This will now take place on **TUESDAY 21<sup>st</sup> March** at 10:20.
