## Back to Work!

The staff and Governors would like to welcome you back to the new school year. A particular welcome to all the new children starting with us and to Mrs Apedaile our new mid day supervisor.

All the children look really well - and they all seem to have grown! They have made a really good start to the new academic year - inspired by our feathered visitors on the first day of term!

We will get pictures on the website in the next week!

## Our English and Maths Whole School Mission is:

**I can use my Mathematics and English skills in all of my school work.**

**I can express myself clearly to different audiences.**

## Thank you!

All the staff have been very busy preparing for the start of the new term.

A big thank you must go to Mrs Tucker, Mrs Braid and Mrs Peart who have been working very hard to make the school look so bright and fresh. The new carpet in the Junior shared area is very welcoming.

## Prompt Arrivals

School starts promptly at 9:00am. The children can arrive at school from 8:50. FS/ KS1 children can come into school and prepare themselves for the day ahead. There is a KS2 teacher on duty in their playground. I would be very grateful if you could ensure your child is on time as children miss vital parts of their first lesson if they are late. If your child is unavoidably late, please bring them to the school office so that we can ensure that they are entered on the school register.

We know that there is a direct link between good attendance and a child's attainment. It is vitally important that children attend school regularly and punctually. Congratulations to all those children who achieved 99% and 100% attendance last year.

## School Uniform

The children look very smart in their school uniforms. It would be very helpful if you could ensure that each child's sweatshirt, fleece and indoor shoes are named.

In line with North Yorkshire's health and safety policy I would like to remind parents that children should only wear ear studs to school and **not dangly earrings**. Earrings must be removed for PE and games.

## Class Assemblies

Class assemblies start on 22<sup>nd</sup> September. It is a great way to get to know the school a little better and the work that your child is enjoying in class!
