Back to School!

The staff and Governors would like to welcome you back to the new school year. A particular welcome to all the new children and families starting with us.

The builders and staff have been very busy getting the school ready for our first day. I will keep you up to date with all the changes that will be taking place. We expect our new classrooms to be finished by Easter.

All the children look really well - and they all seem to have grown! They have made a really good start to the new academic year - inspired by our dinosaur visitors on the first day of term!

We will get pictures on the website in the next week!

Mrs Alexander

Lyla Rae Alexander was born this morning at 9:25, weighing 8lb 9oz.

Congratulations to Mr and Mrs Alexander.

Our English and Maths Whole School Mission is:

I can use my Mathematics and English skills in all of my school work.

I can express myself clearly to different audiences.

Prompt Arrivals

School starts promptly at 9:00am. The children can arrive at school from 8:50. FS/ KS1 children can come into school and prepare themselves for the day ahead. There is a KS2 teacher on duty in their playground. I would be very grateful if you could ensure your child is on time as children miss vital parts of their first lesson if they are late. If your child is unavoidably late, please bring them to the school office so that we can ensure that they are entered on the school register.

We know that there is a direct link between good attendance and a child's attainment. It is vitally important that children attend school regularly and punctually. Congratulations to all those children who achieved 99% and 100% attendance last year. A fantastic well done to Matthew Stephenson who achieved 100% attendance for his whole school career.

School Uniform

The children look very smart in their school uniforms. Please ensure that each child's sweatshirt, fleece and indoor shoes are named.

In line with North Yorkshire's health and safety policy I would like to remind parents that children should only wear ear studs to school and **not dangly earrings**. Earrings must be removed for PE and games.

Class Assemblies
