Headteacher: Mrs S E Brown

May 2018

Dear all,

I am sure you will share my sadness that Sue Brown our Headteacher, has resigned and will be leaving our school at the end of December.

I would like to take this opportunity to thank her for all her hard work over her many years with us. We are a thriving, happy school that is very much at the heart of our community and now we have a stunning larger building that will enable us to grow even more. Much of the credit for this must go to Sue; her strong vision and commitment to our values have helped us grow whilst maintaining an inclusive ethos. Furthermore the smooth running of the project is down to Sue's excellent relationships with all involved. It is Sue's commitment and knowledge of each individual involved with our school and her excellent working relationships with staff, families, children and governors that I have really valued during the eight years that I have known and worked with her.

With sad farewells, inevitably come hellos and we as a governing body are already starting the process of recruiting for the next Headteacher. The Local Authority are also advising us to make sure this process is as smooth and efficient as possible. I want to assure you that as governors we are very proud of the school and the distinct ethos we have. We will be very mindful during this process to ensure that whilst we embrace new visions, challenges and change, we will hold on to what is dear to us as a school. We will endeavour to keep you as informed as appropriate and possible over the coming months.

With very best wishes

Charlotte Lyons

Chair of Governors.

County of North Yorkshire
