

'It's Our Time To Shine'.

We are a Rights respecting School and know that whilst we have a right to an education we have a responsibility to learn.

We have agreed to

- + Learn together
- + We learn in different ways
- + We know how to get better
- + We play together, learn together, work together
- + We look, listen, think and look encouraging
- + We are kind, loyal and generous

School Motto suggested by children and agreed by class and school councils. It was also agreed by staff and Governors.

Our school motto underpins the school aims and is the working embodiment of all we strive to achieve with our children and families.

AIMS

The staff, children and governors have jointly agreed the following statement of aims for the school: -

"At Thorpe Willoughby School we aim to encourage and support the children to help them become happy, self motivated individuals who can achieve the highest standard of which they are capable from the range of opportunities we provide."

To this end we shall aim: -

- ◆ to provide a safe, secure , positive and happy school environment
- ◆ to deliver a broad, balanced, interesting and relevant curriculum which meets the demands of the National Curriculum
- ◆ to help pupils gain an understanding of and respect for moral, spiritual and religious values, and an appreciation of the skills and gifts of others.
- ◆ to develop and maintain a close partnership with parents and to foster close links with the local community
- ◆ To provide our pupils with the most effective and efficient education possible from the resources available to us.
