

PE opportunities are delivered at our school. If you would prefer a pdf version of the information, click on [this link](#).

[PE and Sport](#)

We are a happy, energetic school with a clear vision for learning actively and physically. We are an accredited healthy school, teaching children the importance of making healthy lifestyle choices and supporting them in their understanding.

For the second year running we have achieved the Sainsbury's School Games Bronze Kite Mark. We are working towards achieving Silver. Watch this space!

[PE and Sport Funding](#)

Primary schools in England are currently receiving £8,000 plus 5 per pupil to spend on developing PE and sport in school. Our PE and sport allocation funding for this academic year (2015/16) is £9,225.85. We have prioritised 4 key areas for the funding as follows:

Professional coaches and staff up-skilling (40%)

Equipment (10%)

Inter-school Competitions (20%)

After school clubs (30%)

[The Impact of PE Funding](#)

This yearly funding has enabled Thorpe Willoughby Primary School to promote and celebrate sport at all levels. We have been able to offer the children a wide range of sporting experiences, such as fencing, handball, cheerleading, street dance and athletics.

We have also been able to compete in many Inter School tournaments, even progressing to District and County Championship level.

In 2014-15, every child in school in KS1 and KS2 has participated in a sporting activity; from Forest Schools, the many after school clubs, Ninja days and dance workshops. This current academic year we are planning to offer even more opportunities. We have already booked Wheelchair basketball and a dance/drama showcase. Watch this space...

The funding has allowed us to employ professional sports coaches to train not only the children, but also upskill the staff. The staff at Thorpe Willoughby Primary School are a very talented bunch!

[Equipment](#)

So far we have bought:

KS2: large football goals and nets, rugby ball and netballs.

EYFS/ KS1: Outdoor balance equipment, balls and hoops for playtime, and equipment to improve gross motor skills in their outdoor learning areas.

After School Clubs

So far this year we have the following clubs running:

Monday – Winter Sports (Y3/4)

Wednesday lunchtime – Football Club (Y3/4)

Wednesday – Football Club (Y5/6)

Play Leaders

Our Year 6 children are involved in a 'Play Leaders' scheme. This is an exciting and challenging opportunity for our children to plan, organise and deliver games activities for their peers and younger pupils to enjoy.

Our Play Leaders often support play time games and are central to our intra school competitions. This scheme is further developed by many of the high schools.

Inter-school Competitions

We are part of the Selby Sports Cluster and have employed a Sports Specialist to organise and run inter-school competitions throughout this academic year. So far we have attended a girls football tournament at Selby High School (which we won!)

We have two cross country events coming up in November, which we are busy training for.

Please click here (<https://www.peresults.co.uk/secure/competitionssports.aspx>) to see details of our latest results and league tables. Also check out our PE blog on the Sainsburys School Games website (www.yourschoolgames.com/your-school/profile/slug/thorpe-willoughby-community-primary-school/tab/blog)

Community Links

We have close links with many local Sport Clubs and enjoy the benefit of their expertise and coaching. Children have the opportunity to try these sports and are welcomed to attend these clubs eg Football, Cricket, Tennis, Rugby, Dance, Cheer Leading.

Bike ability

Children in Y5 and Y6 are given the opportunity to improve their bike safety and their knowledge of road safety. They take a theory test and develop their road safety skills around Thorpe Willoughby.

The children will be taking to the roads around Thorpe Willoughby next week. Let's hope the weather stays dry for them!

Sporting Celebration

Each week we join as a school in an assembly to celebrate children's sporting achievements inside and outside school and share their shining moments. These are also reflected on our PE display board.

More information for parents
